Dear Aryan Thanki

Thank you for your enquiry, which we have raised as a Freedom of Information request.

I require all the details concerning how you came to the conclusion that Indian 12th standard qualifications in any way at all are equivalent to UK A Levels.

As an awarding body, we do not equate our qualifications with other national qualifications. We refer you to 1) UK ENIC's comparability reports with Indian high school qualifications; and 2) Equivalence awarded by Association of Indian Universities to Cambridge International A Levels. Association of Indian Universities is the nodal agency in India that awards equivalence to foreign qualifications as below:

1. Here 'The Association of Indian Universities, the organisation that awards equivalence to foreign degrees in India, has granted equivalence to Cambridge International A Levels, Cambridge IGCSE and Cambridge O Levels. This ensures smooth progression for Cambridge students who choose to study at universities in India.'
2. Here 'Indian higher education institutions recognise Cambridge International A Levels as equivalent to Indian senior secondary qualifications.'

I hope this is helpful.

If you are unhappy with the response you have received in relation to your information request, you have the right to ask us to conduct an internal review of this decision by contacting Catie Sheret, General Counsel of Cambridge University Press & Assessment, within two months of the date of this response, and should be addressed as follows: The Triangle Building, Shaftesbury Road, Cambridge, CB2 8EA, United Kingdom or send an email marked for her attention to foi@cambridge.org. Complainants have the right to complain directly to the Information Commissioner if they are dissatisfied with the outcome of the internal review.

Yours sincerely

Freedom of Information Team
Cambridge University Press & Assessment

Cambridge University Press & Assessment unlocks the potential of millions of people worldwide. Our qualifications, assessments, academic publications and original research spread knowledge, spark enquiry and aid understanding.
