To: Tom Piccolo <tompiccolo50@gmail.com>

Hi Tom Piccolo,

The grades are identified generally through marketing, comparing other universities in the local area for example. Each course can ask for whatever UCAS points they would like.

If you meet our entry requirements of GCSE English, Maths and Double Science at a grade 4 or above and you achieve the 112-120 UCAS points then you have the academic ability to complete the course. The rest is dependent on how much work you put in and your willingness to succeed.

Kind Regards

Rachel
